CROSSROADS ASSISTED LIVING

A NOTE FROM VICKI HOLDEN: GIVING THANKS

CrossRoads has been in existence for almost four years now! So very exciting. I remember walking the empty halls and thinking about how different this walk will feel when people are living here. CrossRoads has taken on a life of its own and is now a home to many. We boast a very talented and compassionate crew and we are all very proud of the care we give. There is a saying I love, "ONCE YOU HAVE QUALITY, YOU CANNOT STOP GROWTH". This is very true and we have experienced this first hand here at CrossRoads.

Along the way, many people have lended their time, talents and energy to make CrossRoads a great place; collectively they helped us grow roots. Special thanks go out to our residents and their families for you are our purpose. A large number of our employees have been with us from the get go - that is very humbling and special, we are unbelievably blessed by them. We are fortunate to have loyal friends who have stood behind us and made our road smoother. I want to thank our pastoral team led by Pastor Carol Forsythe. Our community has held us up and we may be a small town but we are mighty, especially when we stick together.

We have come a long way and we look forward to the growth that is ahead of us!

With Immeasurable Thanks,
Vicki Holden

P.S. Please see page 4 regarding our new website. It was developed by our son, Steve and his friend and computer guru, Jared Schmied. It is one of the finest I have seen!!!

CROSSROADS ICE CREAM SOCIAL

A fun afternoon was spent with friends, family, games, singing and ice cream. The invitations for our first Ice Cream Social were hand-stamped by the Residents and mailed out to family and friends. It was "Backyard Game Week" and we played bocce, putt putt golf, lawn darts, and cornhole. Afterwards we went inside to listen to "Ruthie" (Ruth Horner) sing a classic country mix of music while enjoying Root Beer floats, ice cream cones, and dishes of ice cream. The day was a wonderful way to kick off the summer!

A great big thank you goes out to the Calcutta Lions Club! One Monday afternoon a month they make Bingo extra special by hosting and awarding special prizes. The Residents really look forward to their visit!

THE GARDEN

Our garden at CrossRoads is growing and growing! The tomatoes, cucumbers and green beans are doing well. The two scarecrows guard the plants and have been called the “cute” crows because they are so cute. The Residents made them by using children’s

clothing and even their very own Easter bonnets. The harvest will be a great reward and we look forward to enjoying the fruits of our labor!

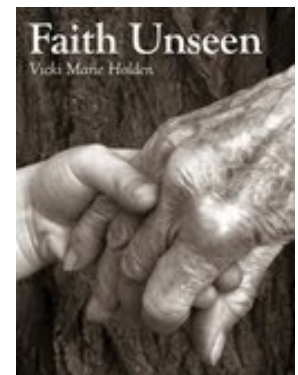

DID YOU KNOW?

Our own Vicki Holden has published a book! *Faith Unseen* is the true story of her grandmother’s life and is a reminder of the lasting legacies we all leave to our families. Vicki credits her grandmother with

being her biggest inspiration and source of strength in her life and was a big driving force behind why she felt so led to reach out to help our community by creating a love-filled home for many of our

area seniors.

Congratulations, Vicki on this tremendous accomplishment! We are all very proud of you!

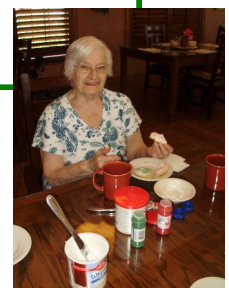

Faith Unseen is available at the front office!

CHRISTMAS IN JULY

It’s beginning to look a lot like Christmas in the Activity Room. Throughout the course of two weeks, the Residents enjoyed decorating a Christmas tree, reading Christmas poems, journaling about Christmas

memories, and decorating cookies. They also took part in singing carols and some Christmas holiday trivia games. Dreaming of a white Christmas was the perfect break from these hot summer days!
